Founded in 1998, the Asian Pacific American Bar Association of Los Angeles County (APABA) adopted the following multifaceted mission:

- 1. to establish a broad base of membership that is reflective of the ethnic and cultural diversity of the Asian Pacific Islander American (APIA) community in the greater Los Angeles Area;*
- 2. to provide a vehicle and forum for the unified expression of opinions and positions by the Association upon current social, political, economic, legal or other matters or events of concern to the members;*
- 3. to foster the exchange of ideas and information amongst and between Association members and other members of the legal profession, the judiciary and the community;*
- 4. to encourage and promote the professional growth of the members;*
- 5. to provide an opportunity for fellowship among the Association's members;*
- 6. to develop and encourage inter-cooperation with and between other bar organizations, especially other minority bar associations; and*
- 7. to provide coordinated service to the community-at-large as well as to the local APIA community.*

Candidates must:

- Be a U.S. Citizen (due to IRS restrictions).
- (recent graduates may register as a law student member for free until after they pass the bar).
- Demonstrate leadership potential, maturity, and responsibility, as well as past or current commitment to public service and social justice, with an emphasis on contributions to the Asian Pacific American community.
