Materials

[Los Angeles Times article \(04/26/2017\): L.A. riots by the numbers](#)

- This article provides an overview of data, using graphics, relative to the event, including the number of deaths by race during the riots and demographic changes in Los Angeles from 1990 to 2010 including a comparison to the racial makeup of the police force during roughly the same timeframe.

[The Los Angeles Rebellion: A Retrospective View](#)

- This article, coauthored by James H. Johnson, Cloyzelle K. Jones, Walter C. Farrell, Jr. and Melvin L. Oliver and published in the Economic Development Quarterly, Vol. 6, No. 4., in November 1992, focuses on the 1992 rebellion from an urban political economy perspective specifically as an event within the broader context of demographic, social and economic changes, according to its summary. The article also provides a critical review of existing policies and proposals to rebuild Los Angeles.

[Activist Video Archive: L.A. Rising Collection](#)

- Liberty Hill interviewed social justice leaders in Los Angeles on lessons learned from the 1992 civil unrest, the results of which were issued in an April 2012 report published by Liberty Hill and the USC Equity Research Institute. The linked site (above) includes interview videos from the project as well as the [report itself](#) entitled, *LA Rising: The 1992 Civil Unrest, the Arc of Social Justice Organizing, and the Lessons for Today's Movement Building*.
